Prisons and Their Moral Performance

A Study of Values Quality and Prison Life Clarendon Studies in Criminology

It is your responsibility to make active choices of what you do and how you act in the
innocent order of the state. This is not an easy order to negotiate, as you will find.

Measuring Prison Performance

David G. Cook 2012 This book provides guidance and tools to measure prison performance, particularly in the context of
an evolving conception of crime and punishment. It explains how to transform current performance measurement systems,
and introduces the framework of multidisciplinary analysis to support recognition and the development of the

Privatizing Public Space

Lucy 2013-04 Scouring for US government’s pursuit of privatized programs makes the privatization of private sector
and public services in the US. It is the practice of using the private sector to deliver services that were previously
delivered by the public sector. The privatization of public services has been a controversial issue in the US and
around the world, with arguments made for and against the practice. This book provides a comprehensive
overview of the privatization of public services in the US, discussing the history, motivations, and outcomes of
the privatization movement.

The Growth of Incarceration in the United States

Committee on Causes and Consequences of High Rates of Incarceration 2014-12-31 After decades of stability
in the United States during four decades has prompted numerous critiques and a growing body of scientific knowledge about what prompted the rise and what its consequences have been for the people imprisoned, their families and communities, and for U.S. society. The book aims to provide a comprehensive analysis of the causes and consequences of incarceration, including social, economic, and political factors.

The Oxford Handbook of Prisons and Imprisonment

John Wooldredge 2018 The Oxford Handbook of Prisons and Imprisonment provides the only single source
available on prisons and imprisonment in the world. It includes contributions from leading experts in the field and presents cutting-edge research on the living conditions of long-term prisoners in Europe and considering whether these conditions meet international human rights standards, addressing questions such as everyone else? What are the similarities and differences between prisons in different European countries? This book answers all of these questions, whilst also examining the context in which the growth of imprisonment in recent years has occurred.

Women, Mobility and Incarceration

Inga Swerim-Henriksson & Jennifer J. Massengale 2016 The book explores the experiences of incarcerated women, focusing on the political, social, and economic implications of imprisonment for women. It offers insights into the lived experiences of women in prison, examining the ways in which gender, race, class, and other factors shape their incarceration.

The Penal Handicap of Penal Reform: A Statistical Analysis

Peter A. 2014 This book explores the impact of stigmatization and penalization on society and individuals, and how these effects can be mitigated through effective penal reform. It provides a comprehensive overview of the penal system, its effects on individuals, and the ways in which society can work to reduce the negative consequences of incarceration.

Prison Disturbance April 1990 (Series: Young Offenders)

The Restorative Prison R. & J. 2012-02-23 This book documents an innovative approach to prison reform in the UK, focusing on the power of stories and relationality to transform lives. It offers insights into the power of storytelling as a tool for transformation, and provides practical examples of how this approach can be applied in real-world settings.

The Prisoner: Imprisonment as a Constructive and Creative Experience

John Hurley 1979 In this book, Hurley argues that imprisonment can be a constructive and creative experience for individuals, and that it is important to explore the potential benefits of this experience.
