26 Wishes Renee Haines 2012-05-29 Not your typical letter book, this story uses the alphabet to express the hopes and desires we have for every young life. The words engage the reader and the rhythm entices the young learner. The illustrations complement the story but also offer additional learning opportunities with the use of color, letters and animals. This story is more than just an alphabet book but a celebration of all the wonder of the world.

Whatever Happened to the Life of Leisure?-Robert Janssen 2012-12-06 Longer working hours, later retirement, luxuries pensions - badly the life of leisure we were promised for the 21st century. We also have dirty hospitals, troops without proper equipment and schools that provide an appalling standard of education. So what went wrong and what can we do about it?This book provides an introduction in straightforward English to the Real Economics of real assets and real people’s lives.

Kharisma Jeni L Nay 2012-04-28 Indistinct voices, strange visitations and unusual dreams have begun to plague Nineteen-year-old Khart during her return home from London to her hometown in Greece. As the occurrences have spawned haunting imaginations she thought she had escaped, she realizes she can’t ignore them any longer and begins to surrender to their pull. Feeling weary and a bit crazy, Khart struggles to cope with what is happening to her. She is forced to open up about herself, only to find out some secrets were kept from her by those she trusts the most. She then begins a problematic journey toward self-discovery and uncovers more than she ever imagined possible. But, continuing toward understanding requires Khart to face a dangerous figure, risk of death and a fight for love. Kharisma explores the importance of family ties, both past and present, the consequences of love and hate, and the power of believing in oneself. It is a story of deception, humility, discovery and the strength of beliefs to the seen and unseen. It is a story that will not be easily forgotten and will leave you wishing for more.

Vytama-Walter Vale 2012-04-25 A planet plagued with tantrum from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safirn, the God of Death, and Sangunia, the Goddess of Life, created two heroes (Vytama) – twin mirrors separated at birth yet destined to meet in a place where the future of their world will be decided by their powers. The golf course is in a remote part of the world and kept secret from the people who know not the ultimate purpose of the Legendary Vytama are the young heroes themselves. While the teenage Vytama learn of their world and of their mission, they will be turned against each other by their faiths they are meant to save: the detested Safirnic Brotherhood and the shady Sangunian Sisterhood.
